Professional Summary

2025 Computer Science graduate with strong proficiency in the **MERN stack (MongoDB, Express.js, React.js, Node.js)**. Experienced in building scalable full-stack web applications with **JWT authentication** and **responsive UIs**. Solid foundation in **Data Structures, DBMS, Networking, and Compiler Design**. Passionate about building impactful software in dynamic, product-focused environments.

Projects

AI Resume Builder   *React.js, Redux, Node.js, Express.js, MongoDB, Tailwind CSS, Vercel, Render*
Live Link | GitHub Repository
Developed an **AI-powered resume builder** web application that enables users to create, edit, and share professional resumes through unique live links. Integrated **Google Gemini AI** to optimize content and **auto-generate summaries and skill suggestions**. Implemented **ImageKit API** for profile image uploads and background removal. Designed a **modern, responsive UI** using Tailwind CSS and deployed both frontend and backend for **scalable performance**.

Car Rental   *React.js, Node.js, Express.js, MongoDB, Tailwind CSS*
Live Link | GitHub Repository
Built a **full-stack car rental platform** allowing users to browse vehicles, authenticate, and book cars. Developed an **owner dashboard** for managing listings and bookings. **Optimized backend APIs** and implemented a **responsive frontend** using Tailwind CSS for a seamless user experience.

FullTradeStack   *MERN Stack, JWT, Chart.js, Bootstrap*
Frontend | Dashboard
Developed a **trading simulation platform** that allows users to place orders, track holdings, and calculate positions. Implemented **JWT-based authentication** and **modular React components** for real-time portfolio updates. Integrated **chart-based analytics** and an **admin dashboard** for performance insights.

Education

B.Tech in Computer Science & Technology   *2021 − 2025*
Matoshree Pratishthan Group of Institutions, Nanded | *CGPA: 7.8 / 10*

Higher Secondary Certificate (HSC)   *2019 − 2021*
Yeshwant College, Nanded | *Percentage: 90%*

Secondary school Certificate (SSC)   *2019*
shree shivaji highSchool Nanade | *Percentage: 85.60%*

Skills

Languages: C, JavaScript (ES6+), TypeScript
Frameworks & Tools: React.js, Redux, Node.js, Express.js, Socket.io, jQuery, Bootstrap, Tailwind CSS, EJS
Databases: MongoDB, MySQL
Platforms: Git, GitHub, Postman, VS Code, NPM, Vercel, Render

Achievements Certificates

• Full Stack Web Development
• Secured **1st rank** in the college Chess Tournament.
• Won **1st prize** in the June Celebration Hackathon for the Celebrate-June project.
